Coffee Fellowship is an important part of our church. Coffee, goodies and spending time with other members, getting to know more about one another, being inviting in our conversations, building up our church family...creating strong fellowship.

This duty has fallen for the most part on the ladies with advance knowledge of the kitchen. These wonderful ladies would like to teach the newer members or not so new (ladies and gentlemen) the workings of the kitchen including the Joy and Fun that you can have serving after church. It is possible a few new minds together can solve a problem or two! In the back of the church is a sign-up sheet for serving Sunday fellowship after church.
